EXPERIENCE

2009 - 2014 **daxpix studio / Beijing, China**

Founder

- Founded daxpix and succeeded in making it a famous brand by publishing three inspirational photo books in Hong Kong, Taiwan, Japan and Singapore: **The Winner Takes All, Bravart and Dreaming**
- Developed and launched the website www.daxpix.com in 2009, compatible with major desktop / portable devices
- Partnered with top fashion magazines such as **GQ, Esquire, Men's Health, FIGARO, Cosmopolitan, Psychologic** and **MOKO** for photo shootings and video interviews
- Created the digital **daxpix Photo Magazine**, developed short films and video interviews

2010 - 2012 **MOKO.cc / Beijing, China**

CEO, 2011-2012

- Increased page views by 50%; reduced losses by 35%
- Restructured complicated product lines into new three categories: Showcase, Personal Service, and Company Service
- Launched the **MOKO iPhone app**, with over 20,000 global downloads in a month
- Created MOKO TOP GIRL show S5 by cooperating with top media such as **Sina, QQ, Trends Group, Dentsu, and Docomo**

Creative Director, 2010-2011

- Supervised all visual design teams working on UI, marketing and events, branding, video and photography.
- Led the MOKO iPhone app project.
- Delivered featured video projects, such as the **MOKO NEW FACE** videos.

2007 - 2009 **Baidu.com / Beijing, China**

Senior UX Manager

- Created Baidu's youa.com **VI System**
- Served as design team lead for the **UI design** of youa.com
- Enhanced promotion plans, coordinating with operations and leading the overall design team
- Led the brand's character design for messengers, web icons and promotional videos

2002 - 2007 **Sina.com / Beijing, China**

Design Manager, 2006-2007

- Supervised sales and marketing design teams as well as outside advertising agencies such as **Ogilvy, Dentsu, etc.**
- Developed and executed plans for **Sina Corporate Branding Improvement, Sinaman Improvement, and Sina Corporate VI System Improvement**
- Produced web ad demos for the sales team, working with brands such as **HP, Canon, Motorola, Nike, Apple, etc.**
- Gave presentations for agencies and customers, successfully organizing and hosting the **D4 Beijing/China Designing Club**
- Developed quarterly and annual reports and plans

Senior UI Designer, 2004-2006

- Founded and led the SinaDOT design team
- Co-designed web products, successfully launched Sina Pix-Viewer and Sina Scratch
- Invited to speak at the "Creative at Sina" conference, conducted an information sharing presentation from User Friendly 05
- Coordinated between the design team and related departments such as Wireless, the Sina UC, and Marketing to streamline communication and ensure that projects were carried out correctly and efficiently

Web Designer, 2002-2004

- Served as the planner and lead designer for the "Official Website of Zhang Zi Yi" earned recognition from Zhang Zi Yi and her fans
- Assigned as sole graphic designer for the two-year project "Canon Baby Picturing Contest" and gained great customer loyalty based on my outstanding performance
- Delivered professional website designs and web ad designs
